

Mutende Children's Home

Z A M B I A

Building a future, together.

OUR MISSION

A safe, loving, self-sustaining home.

Mutende Children's Home is a mission-driven initiative providing care for vulnerable children in Zambia, Africa. Our goal is not only to meet immediate needs — but to create lasting stability through education, nutrition, and community support.

WHAT MAKES US DIFFERENT

Kids helping kids.

Children across the United States are organizing fundraisers, donating, and spreading awareness — directly supporting their peers at Mutende. This connection builds empathy, leadership, and a sense of global responsibility.
