Subject: Fundraiser for Mutende Children's Home

Hi [Name],

I'm reaching out because I'd love to organize a fundraiser for Mutende Children's Home, a nonprofit building a self-sustaining orphanage, home and farm for vulnerable children in Zambia.

I have a few ideas - like a bake sale or classroom challenge - and I'd love your support in making it happen. All funds go directly to providing housing, food, education, and sustainability programs.

Would you be open to a quick chat about how we can get started?

Thank you!
